

Nostalgic Japan ! Nantan City

Hiyoshi Dam

Ohno Dam

Ryuon-ji Temple

The Momiji Pass

Nantan City is located in the middle of Kyoto Prefecture and is easily accessible from Kyoto, Osaka and Kobe.

In Nantan City, you can visit "Miyama Kayabuki-no-Sato", a photogenic area of traditional Japanese Kayabuki houses, "Ikimi Tenmangu", the only Tenmangu shrine built during the lifetime of Sugawarano Michizane, "Sonobe Castle" built in the Meiji era, and "Yagi Castle", the mountain castle built by "Naito Joan", a Christian warlord who is related to "Akechi Mitsuhide", and many other sights that you should visit at least once!

History

The last castle built in Japan

Sonobe Castle ruins

(Nantan City Education Committee)

The oldest Tenmangu shrine in Japan

Ikimi Tenmangu shrine

The Three major Mountains Castle of Tamba

Yagi Castle ruins

(Yagi Town Tourist)

Mokujiki Shonin's masterpiece

Seigenji Temple Mokujikibutsu

Resort

Springs Hiyoshi

Springs Hiyoshi is located in the foot of the Hiyoshi Dam. You can enjoy natural hot spring, camping and BBQ here.

Ruri-kei Onsen

Rurikei-Onsen is located at the upper course of the Rurikei River. Its name comes from its beauty like lapis lazuli. You can enjoy glamping and illuminations here.

Miyama Nature and Culture Village

This place has an auto camping area and the log cabin style accommodation.

Other

Nantan City fire works

(Nantan City Chamber of Commerce)

Miyama Milk & Sweets

(Miyama no Megumi Milk)

There are plenty of attractions not to be missed! For example, the fireworks display in Yagi is very popular in the Kansai region. You can also enjoy delicacies such as sweets made from local milk called Miyama Milk.
